**PRE CAST  
COMPOUND WALL**

# Precast Compound Wall

We are one of the leading Ready made Compound Wall manufacturer in Tamil Nadu with over 25years of experience and completed various projects in large scale from 1Km to 3KM stretch with quality finish.

Ready made Walls produced in various designs and colors. Our Designs are widely used for Developing, Commercial, Municipal facilities, Utilities and Road Projects which are suitable for secure fencing and screening walls to surround intrusion-sensitive facilities.
